TOTAL SOLUTIONS NEWSLETTER

February 2011

Hanover, PA. Milton, PA. Erie, PA. Pittsburgh, PA. Richmond, VA.

Are you sick of buying throw-away die grinders that barely last a few weeks in service? Dynabrade's improved .4hp straight-line die grinders not only offer extended service life, but also have improvements in noise levels with an extended rear exhaust muffler, a new oval shaped housing for improved ergonomics in operator comfort, as well as a heavy duty rotor housing with an integrated pre-filter to protect the rotor from air line contaminants. Plus an industry leading Lifetime Warranty!

Now Through April 30th. FREE Air Hose

Get a Free 8mm x 5' Air Hose with Purchase of any Dynabrade .4hp Straight-Line Die Grinder. 12 Options.

The Dynabrade 94855 Air Hose Includes:

- Lightweight 5' x 8mm air hose
- 94300 Composite Dynaswivel fitting

Tool Improvements

- Oval Shaped Housing for ergonomics
- Integrated air motor pre-filter
- 3-Vane rotor which offers more rpm options
- New extended rear exhaust muffler
